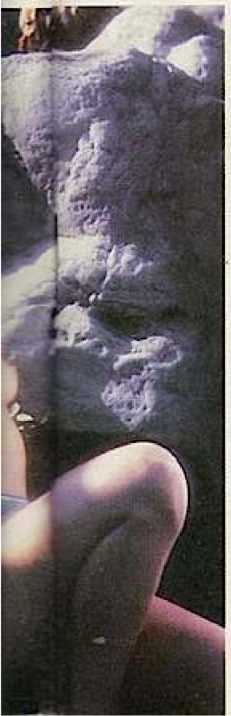
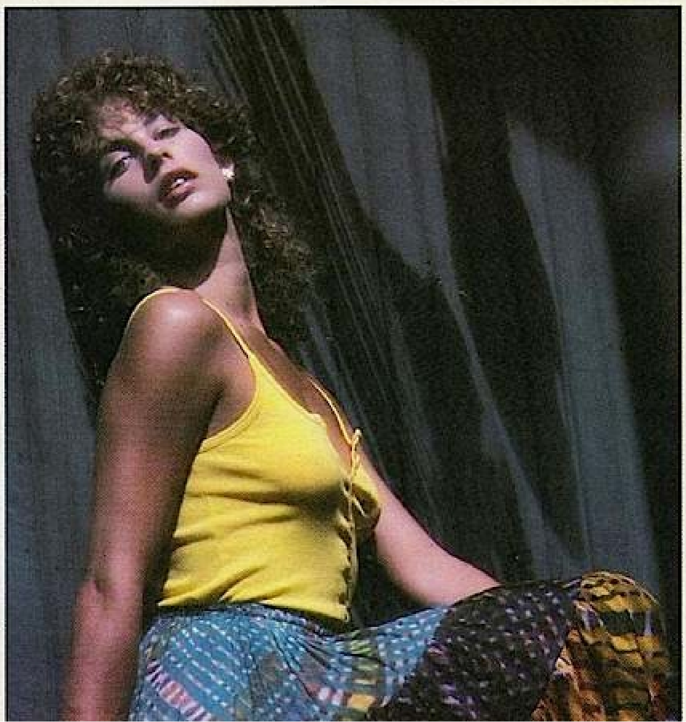
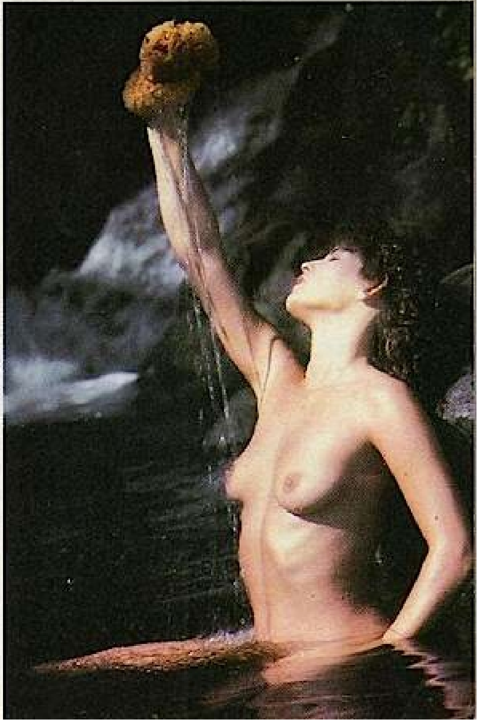
Dominique

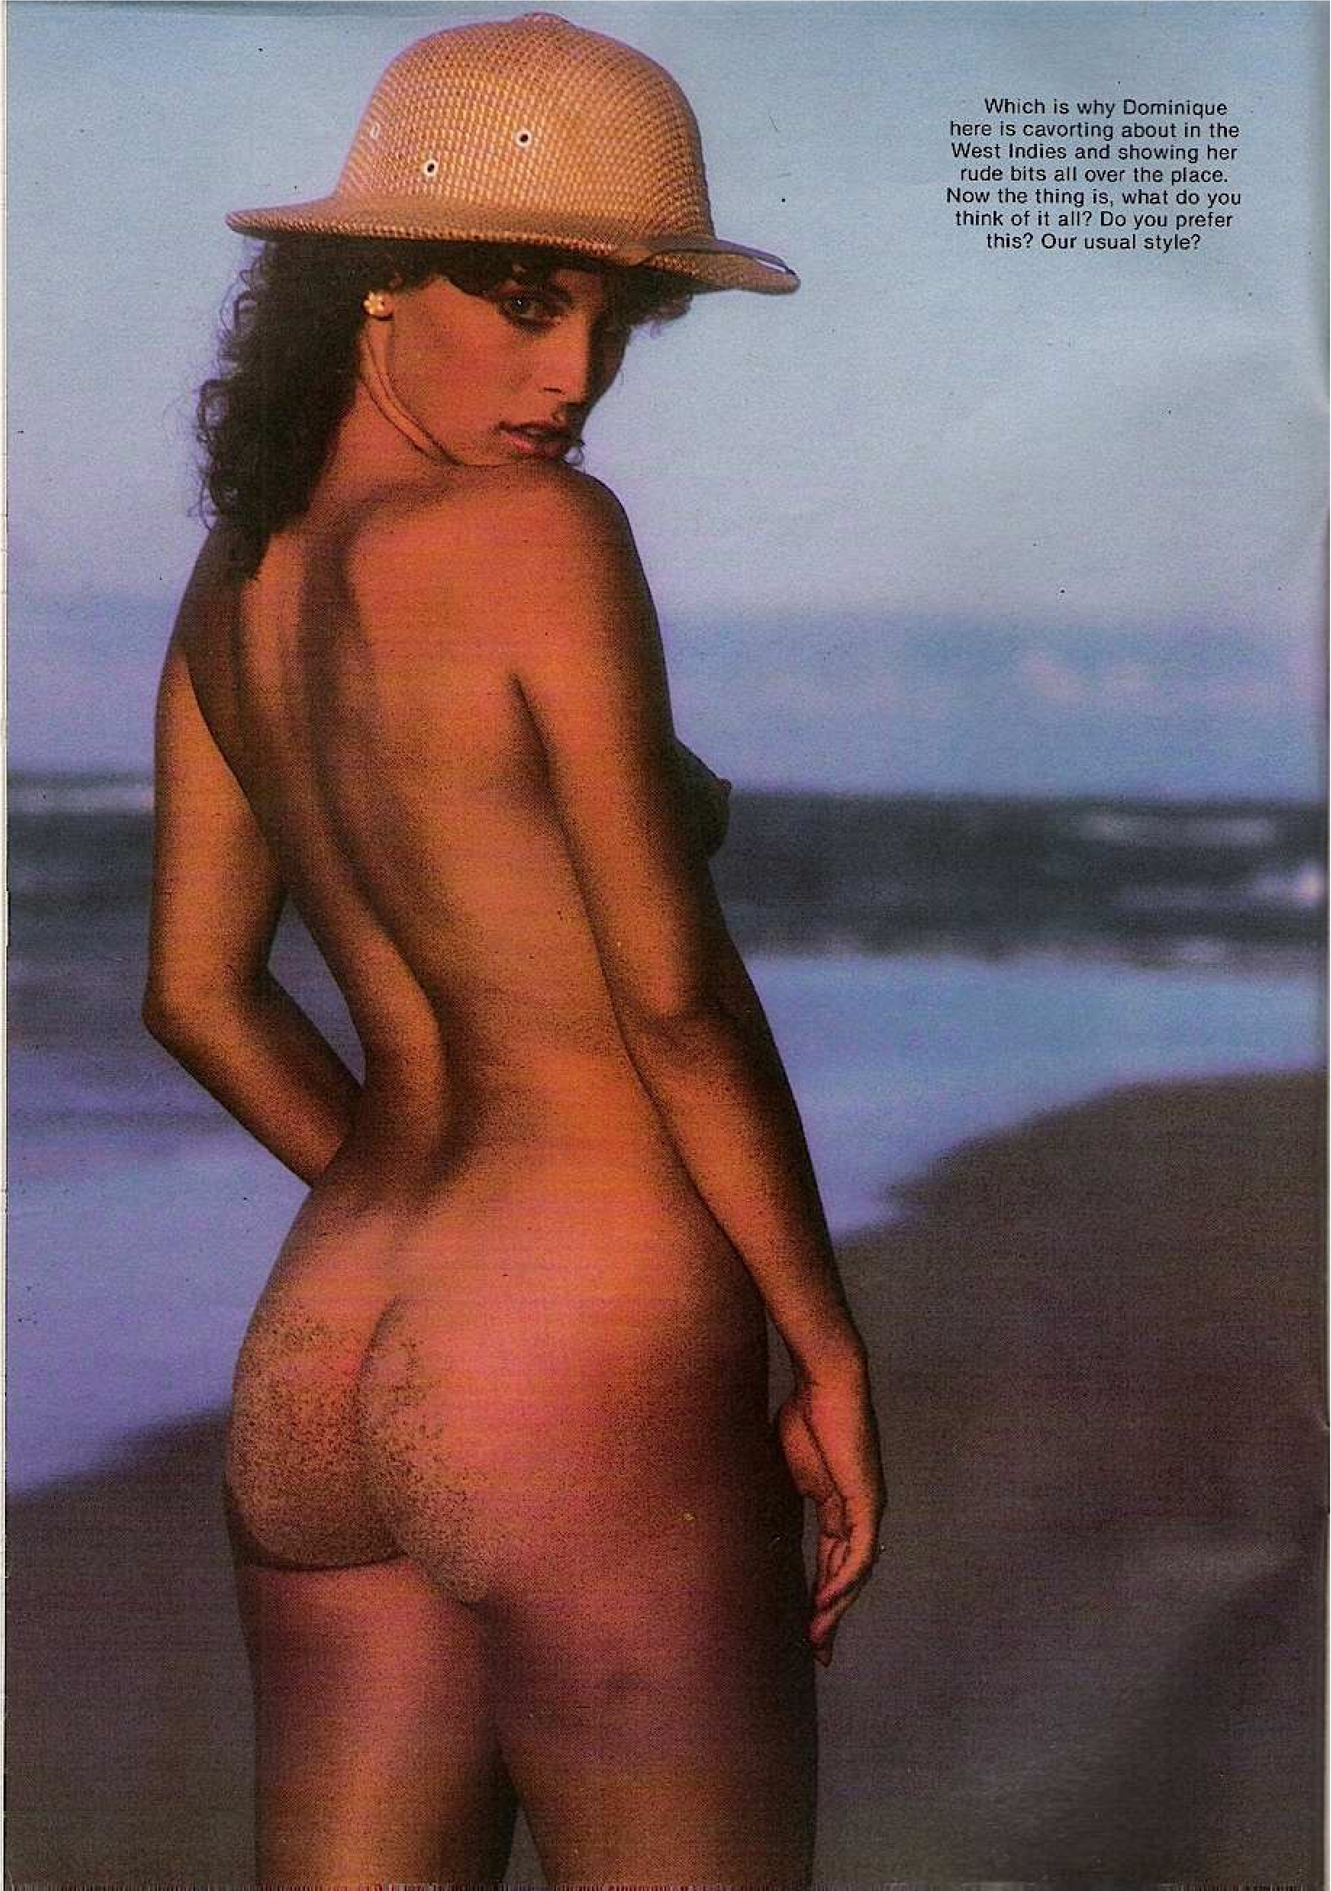
PHOTOGRAPHED BY JAN SVENSSON

A slight change from our usual style, this. Instead of the standard, same-background, same-lighting, same-clothes-but-she's-taking-them-off shoot, we thought we'd let Jan Svensson have a bash at something a little more, 'ow you say? classy like.

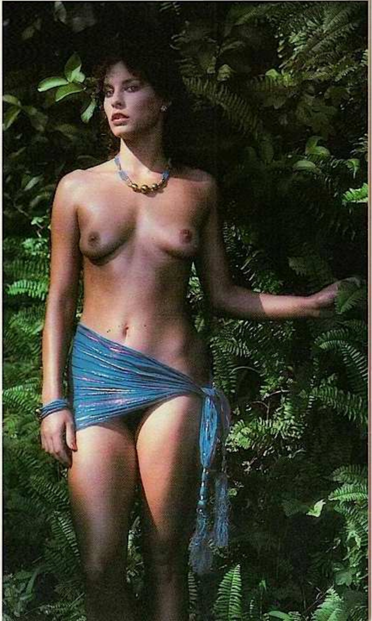








Which is why Dominique here is cavorting about in the West Indies and showing her rude bits all over the place. Now the thing is, what do you think of it all? Do you prefer this? Our usual style?



A combination of styles? Whiskas? Kennomeat? Let us know and (this is a genuine offer to find out if you lot really read these scribbly bits that go with the girls) we'll give a year's subscription or a couple of sweatshirts to the best three answers. HELLE

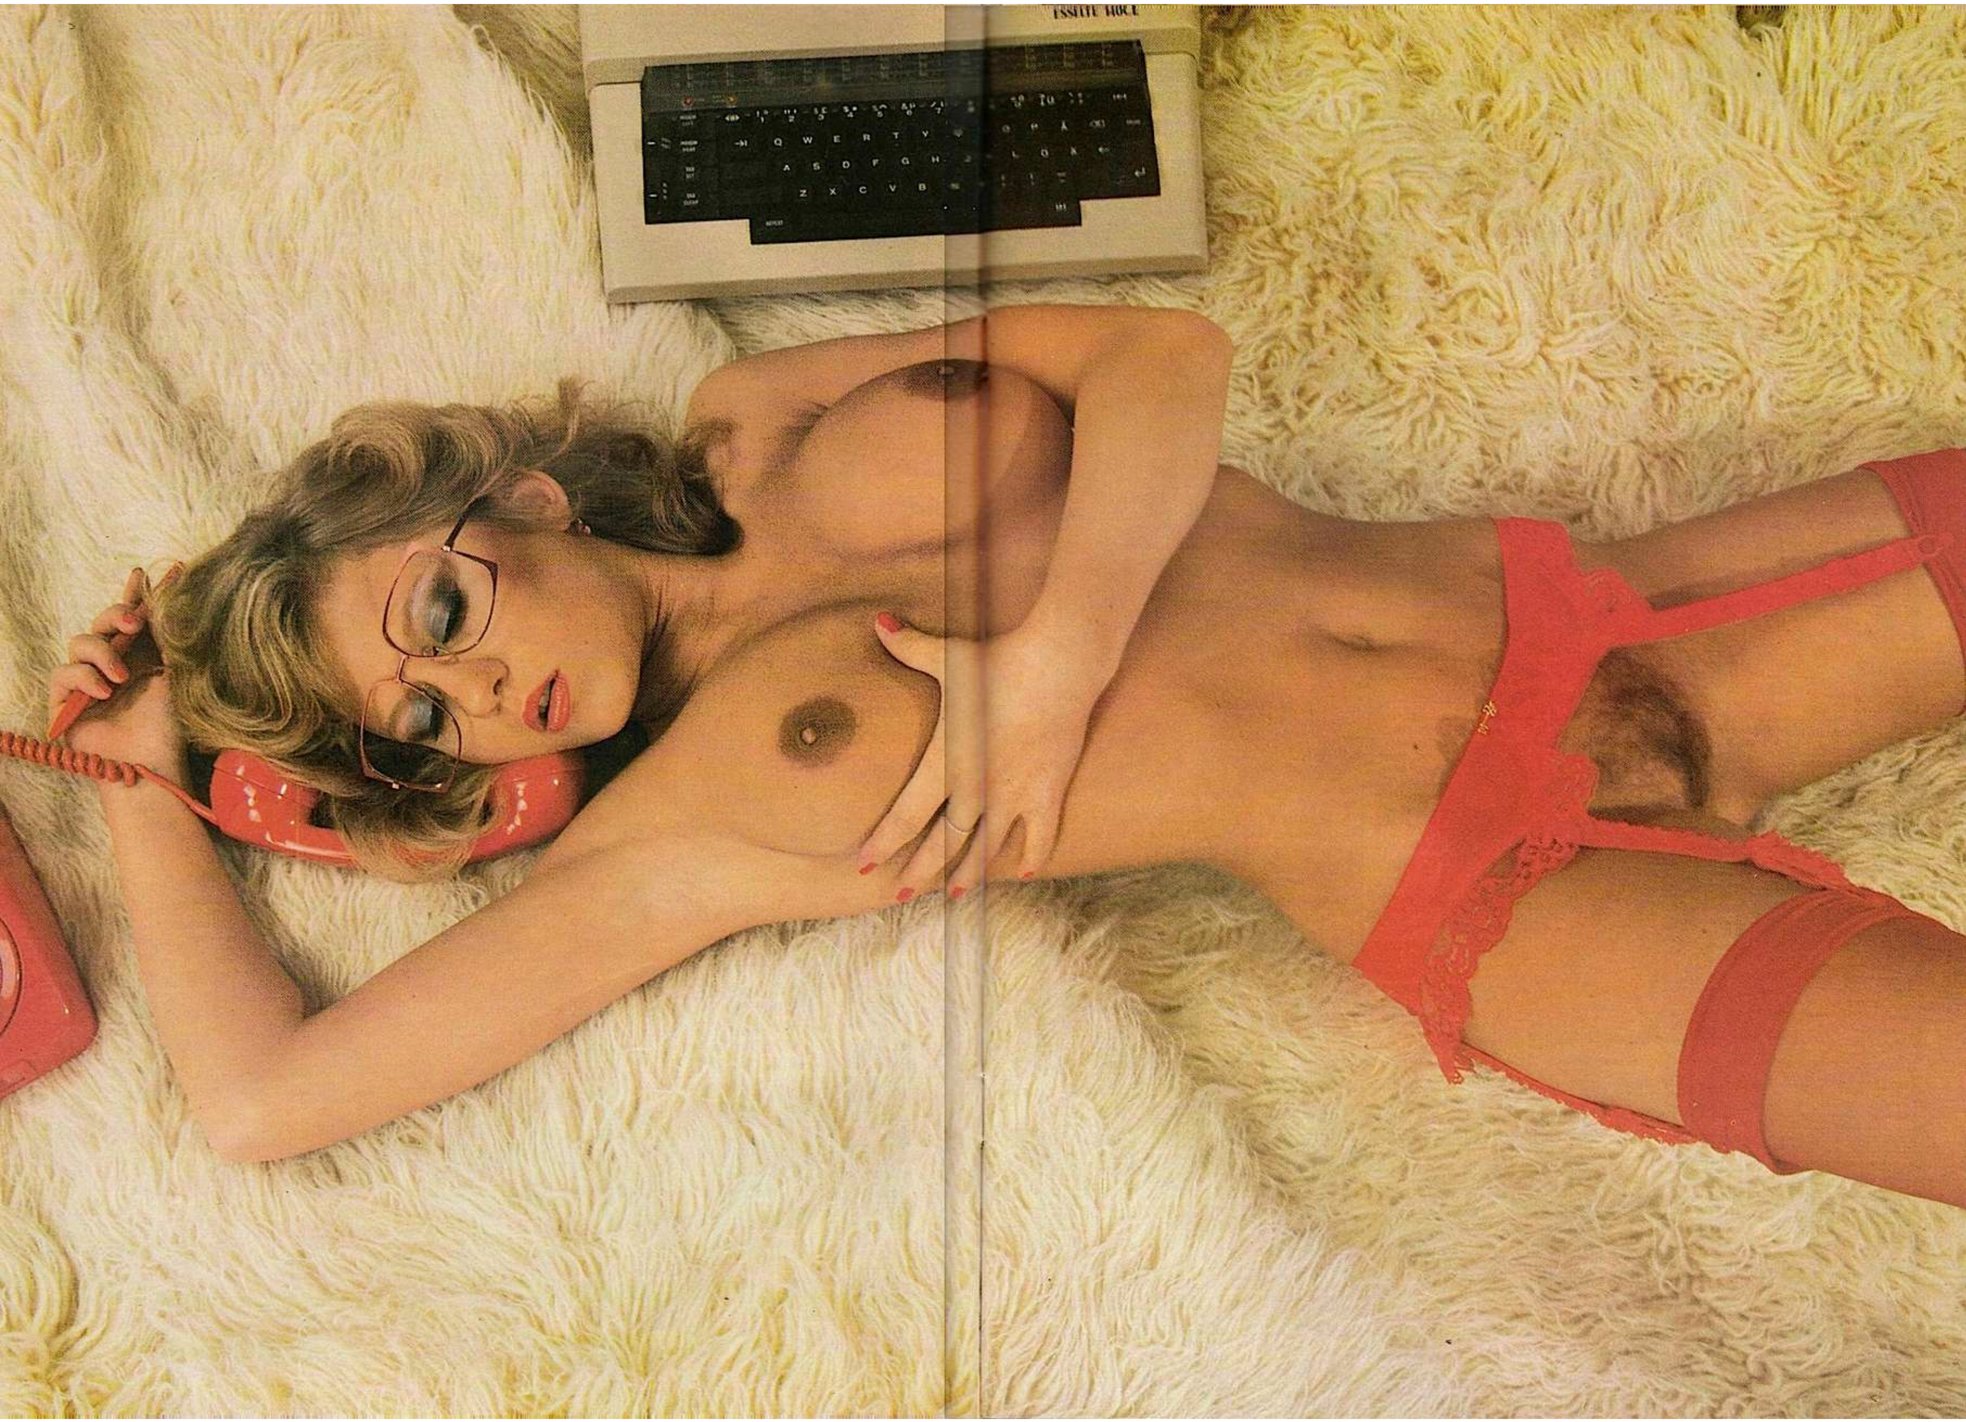
PHOTOGRAPHED BY PETER FLODQUIST

Helle works for the D.H.S.S., training office juniors and copy typists to become fully fledged P.A.s and Personal Secretaries. It's a varied and interesting job. "When they come to me they know fuck nothing, but I soon knock the shape into them and they know fuck all." Quite. Her particular forté is Topless Dictation, but she's qualified to teach Nude Filing to A level standard and she has a great telephone manner. She also gives her students helpful hints on things to say to the boss's wife when she phones at an awkward moment. You know the kind of thing; 'He was going to call you but something came up', 'He's just slipped out, but I'm expecting him back in at any moment' and, 'He's screwing me over the desk at the moment, but if I balance the phone between my shoulder blades he should be able to talk to you.' Helle is 22 years old, 36-23-36 and Danish. D.H.S.S. stands for the Danish Hard-core Secretarial School, by the way — had you going for a moment there . . .

HELLE

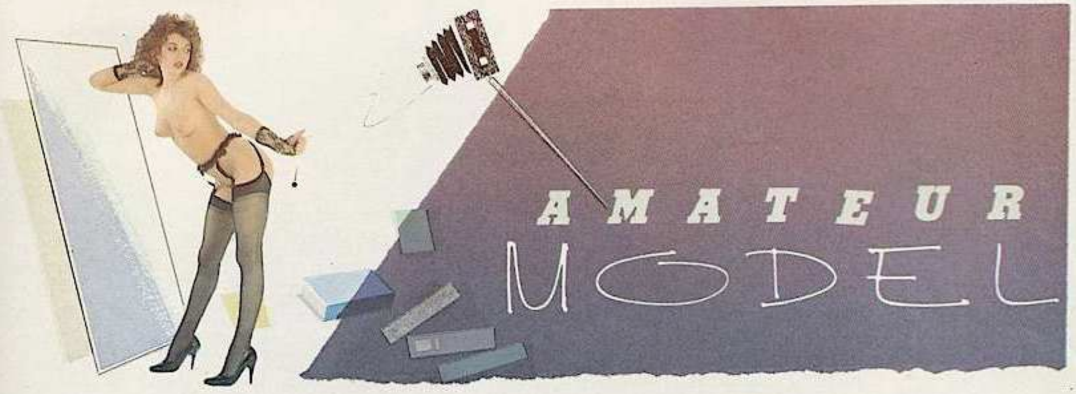


Julie

It's happened again. An astounding Amateur walks into the studio and we all chortle with glee. The set, the clothes, the make-up and the lighting all work beautifully — and so does she. Gurgles of editorial delight all round. Then she mentions that she's about to do a shoot for a rival magazine. Doom. We check our calendars and work out printing schedules on the backs of fivers. Doomer yet. So we just daren't put her in as an Amateur, because they just might pip us at the post — in which case the *oeuf sur visage* would be unbearable.

PHOTOGRAPHED BY K.K. JONES

So Julie comes to you, instantly promoted to the ranks professional. And indeed she was remarkably good for a first timer. Not surprising really, she's worked for a lot of amateur photographers in a studio near her home in Kent. She's 18 years old, 36D-24-34 and destined, we would suggest, to become a regular on the glamour circuit. Well, we've re-booked her already ...



AMATEUR MODEL

This girl did it — so could you. If you think you could make it as one of our Amateur Models, fill in the form below and send it in with a few rude nude pictures of yourself. Polaroids will do, at least two completely nude — front and back view.

If you're successful we'll invite you to London, pay you £150 for the day's work plus travelling expenses and overnight accommodation, build a special set and lay on a make-up artist and a professional photographer to make sure you look your best. There's also a £25 prize for whoever took the original pictures of you. You'll never know unless you try — and it's great fun being a star for a day!

Since we tend to deal in superlatives all the time, it's difficult to be extra nice to someone special. But she is. 18 years old, 5′5″ 35-24-35, Scottish (Dundee-ish, anyway) and smashing. She's never appeared in a magazine before, but she *has* worked for amateur photographers. This meant she already knew all the shapes — a great help.

Unfortunately we've had to steal two pages from her to fit in the Amateur Model Competition, so we've decided to make it up to her by using her again real soon. Could be sooner than you think, so don't risk skipping any issues, chaps — you wouldn't want to miss her, now would you!

Bum Waiter

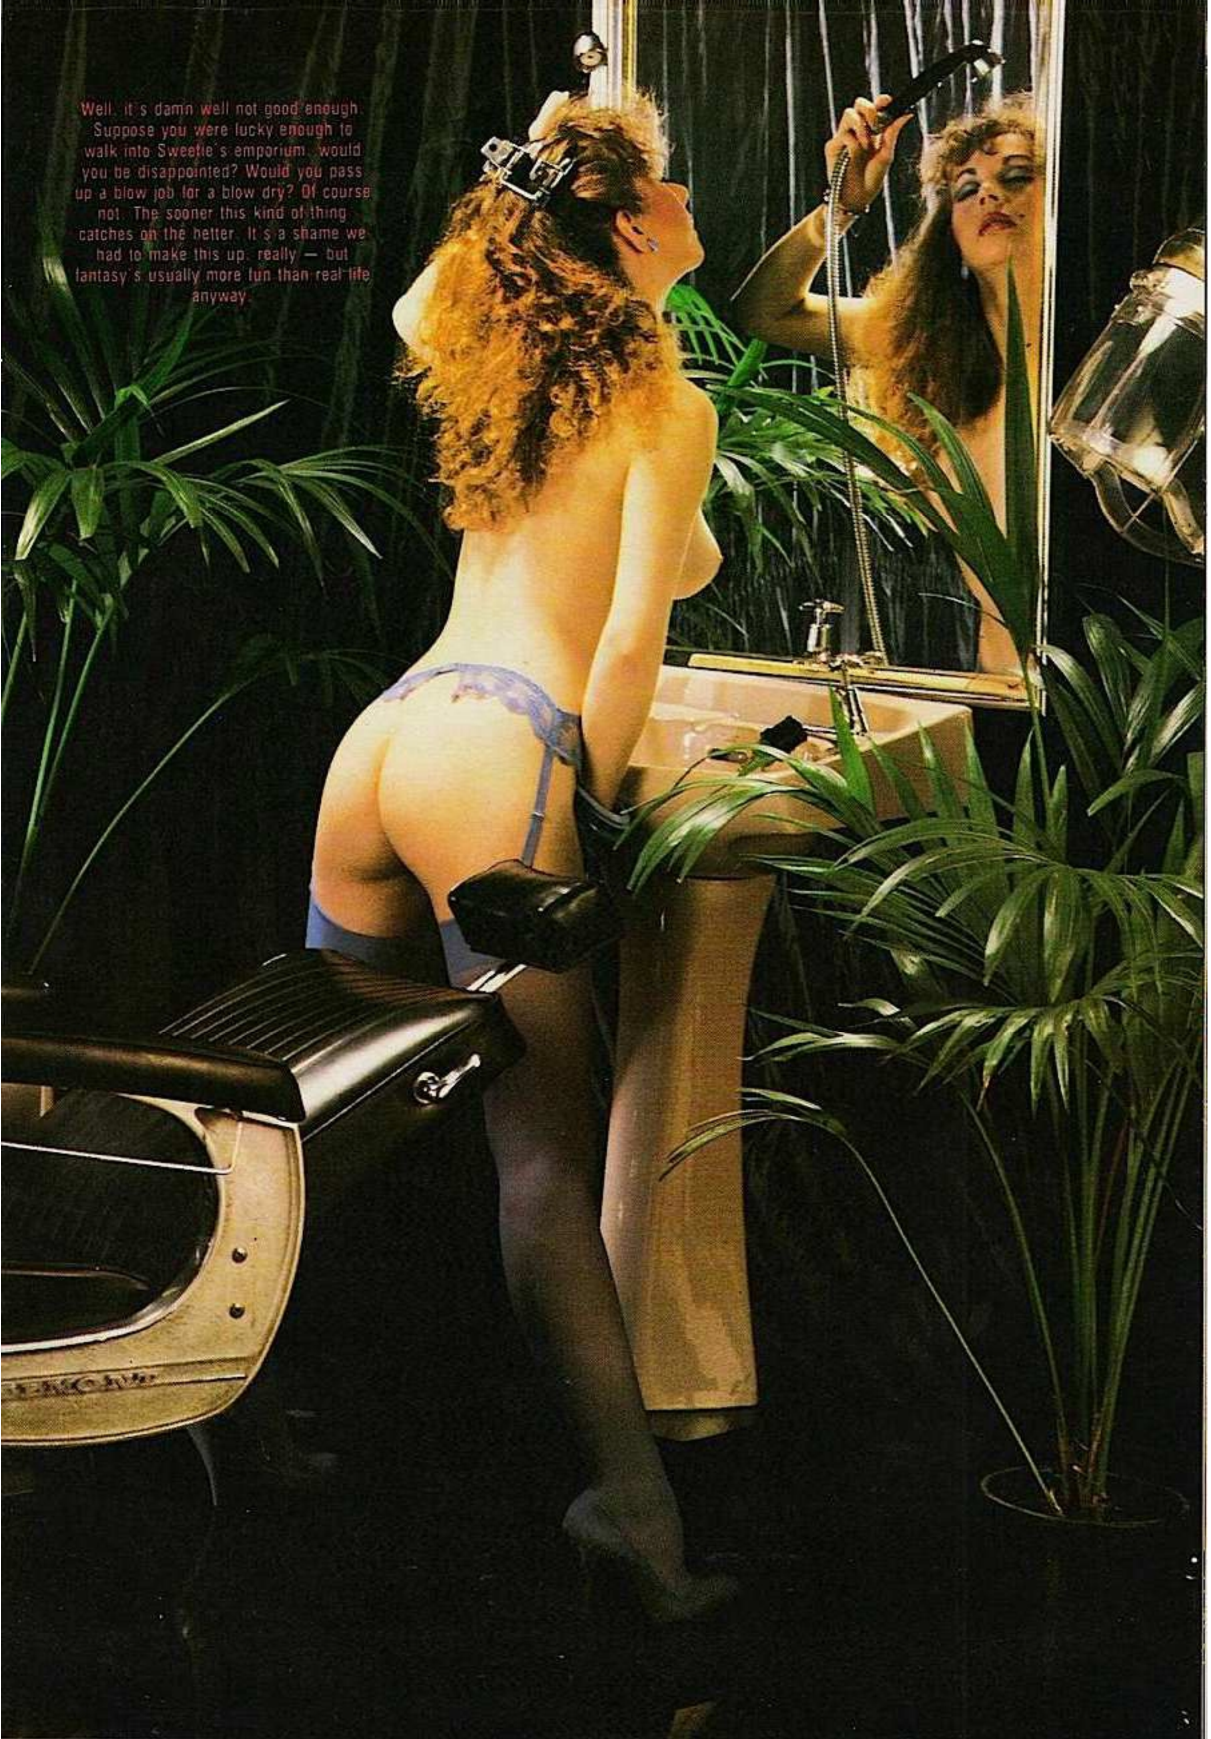
Some folk, I know, are both lazy and conceited. I shall not name names. I do not point the finger. Why shouldn't the Editor get a break just for once? Anyhow, the trouble with the incorrigibly indolent is that they always want it on a plate. Well, at the risk of appearing to condone, here it is — on a plate! Your Amateur dish of the month (or plat du mois, as we say at the Soixanteneuf Grill) is Michelle McKenzie. The Menu reads as follows. Entrée: Melons. Cold Plate: Tongue. Main Course: Prime Rump. Make a meal of it, and . . . er, don't forget to tip the waiter. Eh? Whaddya mean, "Where's the fish course?" . . .

Sweetie Todd

PHOTOGRAPHED BY RAPHAEL

It has come to our notice that, apart from traditional establishments like Harrods or Simpsons, it's very hard to find a barber who will give a chap a shave. Oh, he'll mince about and tweak your follicles alright, he might even proffer the proverbial packet of three. But a shave? 'There's no call for it these days, sir!'

Well, it's damn well not good enough. Suppose you were lucky enough to walk into Sweetie's emporium, would you be disappointed? Would you pass up a blow job for a blow dry? Of course not. The sooner this kind of thing catches on the better. It's a shame we had to make this up, really — but fantasy's usually more fun than real life anyway.



Sweetie herself, and isn't she just, last appeared as Hecate the witch in Vol. 15 No. 10. She's lost a bit of weight since then and now looks even better. So good in fact, we brought her back in a few days later for another set. Watch this space . . .
